CHAMPIONSHIP GOLF

Fields Ranch East

18 HOLES | 72 PAR | 5,012 - 7,863 YARDS

Designed by Gil Hanse

Fields Ranch East draws its style and cues from the surrounding landscape, providing a compelling strategic challenge for all golfers. These organic advantages include rolling topography, dry washes, and the meandering Panther Creek.

Smallish greens with gentle rolls, strong slopes, and false edges place a premium on accurate approach shots. The bunkers are naturally rough-hewn and blend in with the surrounding prairie grasses. The fairways use the same grass as the rough, allowing the corridors to be widened or narrowed based on required conditions for championship golf or day-to-day play. Finally, the ribbon tees can be dynamic, providing multiple options and variety for daily course setup. Outside the ropes, there is enough room for spectators typical of championship golf.

In essence, Fields Ranch East provides strategic variety while incorporating the natural beauty of the property. The result is a championship-level course that will challenge and thrill golfers.

CHAMPIONSHIP GOLF

Fields Ranch West

18 HOLES | 72 PAR | 4,166 - 7,319 YARDS

Designed by Beau Welling

Set among North Texas’ rolling hills, Fields Ranch West offers an enjoyable, strategic test of golf. Highlighting the Blackland prairie setting, the course rambles along Frisco’s Panther Creek, surrounded by native field grasses, live oaks, and mesquite trees – a true oasis amid the neighboring urban landscape. Featuring more 75 feet of elevation change, the routing showcases the site’s natural character, as well as wetlands that are home to several native species.

The West Course has been strategically routed to support the holistic concept of PGA Frisco, complementing the other golf offerings as a fun, yet challenging golf experience that provides the perfect stage to further your enjoyment and development as a golfer. This course encourages shot-making and creativity from tee to green. The West Course’s expansive fairways are approximately 75 yards wide on average to promote enjoyment for golfers of all skill levels.

Friends' Golf Trip Itinerary

SUGGESTED ITINERARY BY OMNI PGA FRISCO RESORT & SPA'S DIRECTOR OF GROUP GOLF SALES

Residing on the acreage that once housed Bert Fields' 'Headquarters Ranch,' Omni PGA Frisco Resort & Spa pays homage to the land's rich history by naming its two championship golf courses Fields Ranch. Considered the New Home of Modern Golf, Fields Ranch offers 36 holes of championship golf, The Swing — a 10-Hole Short Course, and The Dance Floor — one of the country's largest putting greens. With 26 confirmed Championships over the next 10 years, Fields Ranch boasts a schedule unlike any other golf destination in the world.

The two championship courses, designed by Beau Welling and Gil Hanse, retain echoes of the old ranch. Fence posts, gates, and barbed wire dot the 36 holes, while Panther Creek meanders through the landscape, adding topographical challenges to the game.

DAY 1 - ARRIVAL DAY

4pm – Check into the Resort and get settled into Guestroom/Ranch Houses

5pm – Early dinner and drinks at the Ice House Restaurant with a few hitting bays for warm up.

7pm – Round on the Swing (10-hole short course) under the lights.

DIRECTOR'S NOTES:

No one wants to rush from the airport to the tee box. Instead, take a breath, relax, get the group together and warm up. Our Ice House restaurant serves mouthwatering Texas barbecue, setting the stage for a golf adventure. Explore six hitting bays with Top Tracer technology, then head to The Swing — a 10-hole short course under starlit skies, ranging from 44 to 117 yards. An unforgettable golf journey begins here.

FIELDS RANCH EAST #7 AND #8

Friends' Golf Trip Itinerary

DAY 2

8am – Morning round on Fields Ranch West

12pm – Lunch at Ryder Cup Grille

2pm – Afternoon spent on the Dance Floor

6pm – Dinner at the Lounge by TopGolf

DIRECTOR'S NOTES:

Ready for golf? Our Beau Welling-designed Fields Ranch West course welcomes you with wide fairways off the tee, but don't be fooled — the greens present a delightful challenge. Risk and reward await, especially on the final two holes which happen to be Par 5's. After your round, unwind at Ryder Cup Grille, where classic American favorites and stories flow over cocktails.

Up next, play on the 2-acre Dance Floor — a putting green with two 18-hole courses to enjoy all afternoon. Cap off the day at Lounge by TopGolf, where five hitting bays equipped with Full Swing Technology and lively games await. And before tomorrow's round, take on the Fields Ranch East Course on the simulator as both championship courses are available to play.

Friends' Golf Trip Itinerary

DAY 3

9am – Mid-morning round on Fields Ranch East

12 pm – Grab-n-go lunch at The Bunker

3pm – Moraka Spa for some much needed sports massage treatments and then lounge at the adults only rooftop pool

6pm – Dinner at Trick Rider

9 pm – Another round at The Swing under the lights

DIRECTOR'S NOTES:

Get ready for a golf adventure like no other. At Fields Ranch East, every shot counts. The long, narrow fairways demand precision, and the required caddies stand ready to guide you throughout your round. Gil Hanse's masterful design ensures both enjoyment and challenge — just like the professionals will experience during the 2027 PGA Championship at Fields Ranch. At the halfway point, visit 'The Bunker' for a Southwestern Brisket Wrap — a tasty pit stop to fuel your game.

After conquering the course, unwind at The Lookout Bar, overlooking the Fields Ranch East Course. For dinner, elevate the experience at Trick Rider — a fine dining steakhouse with a 10-foot Crystal Horse hanging from the ceiling, for an unforgettable atmosphere.

And if the group's up for it, one last night out on The Swing, under twinkling lights, concludes the day. Your golf getaway is about to become legendary.

FIELDS RANCH EAST #4

Friends' Golf Trip Itinerary

DAY 4 - DEPARTURE DAY

8am – Morning round on Fields Ranch West

1pm – Departure

DIRECTOR'S NOTES:

On your final day, consider playing the Fields Ranch West course again. It's perfect for departing groups — it allows carts, and the layout features intriguing par 4s full of risk and reward in which you might play a bit differently after you have seen the course once. You'll face decisions: lay up or go for the green? Soak in the experience and savor your final round.
